Product Description

Now there's a notebook roller that's made just for stylish good looks and remarkable comfort with lightweight size. When you’re traveling for business, the Contour™ Balance Laptop Roller not only protects your laptop from damage, it is lighter than most traditional rollers. There’s ample space to organize all your stuff, including clothing for an overnight trip, while meeting all airlines’ carry-on size limits.

Features

- Deep-quilted, impact-resistant notebook compartment with Airbrake bottom cushion protects your computer
- Up to 25% lighter than most traditional rollers makes placement in aircraft overhead compartments easier
- Back compartment with mesh pockets keep large accessories organized
- Air-Flo Contour™ Panel dissipates heat and hugs the body for greater comfort and carrying ease
- Deep-quilted, impact-resistant notebook compartment with AirBrake™ bottom cushion protects your laptop, up to 15.4 inches.
- Ergonomically designed, contour telescoping handle
- Sleek and comfortable handles stay together with a magnetic clasp for grab and go convenience
- External ticket pocket keeps important documents organized and accessible
- Contour telescoping handle is ergonomically designed to shift weight to the wheels, minimizing strain on the arm and increase rolling ease
