Product Description

The LM550 Laptop & Tablet Briefcase is the ideal solution for mobile professionals in need of a comfortable, stylish option to carry around their devices and documents. Constructed from dermal faux leather, the bag is highlighted by the padded compartment that easily holds up to a 15.6-inch laptop and 12-inch tablet. Dual metal clasps on the front securely fasten the case, and matching organisations pockets in the front portion of the bag let you store files, business cards and pens. There's also a hidden pocket in the back of the bag that can hold larger pieces. When you're on the go, you can carry the bag using either the adjustable shoulder strap or a reinforced carry handle.
