Product Description

Designed for today's mobile students, the LS440 Sleeve conveniently holds a wide variety of 14-inch laptops, Chromebooks™ and Ultrabooks™ as you cruise around campus. The thin sleeve is form-fitting with a plush-lined interior that helps keep your device's exterior from getting scratched or suffering other types of cosmetic damage. Internal corner straps can be placed around the top and bottoms of the device. Not only does this keep the laptop securely in place, it also conveniently opens that laptop when you open the sleeve.
