Product Description

Trust Kensington, the choice of IT professionals, to help protect the sensitive information on your Surface™ Pro and reduce the chances of wandering eyes viewing confidential data on your screen. This privacy screen is designed specifically for the Microsoft® Surface™ Pro and is compatible with the touch screen. The FP Series Laptop Privacy Screens limit the field of vision to +/- 30 degrees so a person off to the side only sees a dark screen. They are easy to install, with the included double-sided tape. The reversible privacy screens also use an anti-reflective coating to reduce glare, and they filter out harmful blue light by up to 30%.
