

## MicroSaver® Retractable Keyed Laptop Lock

K64538US

### Product Description

Trust the industry standard that has been locking devices for more than 20 years to protect your valuable laptop and the sensitive information that's on it. T-Bar™ Locking Technology and a retracting carbon steel cable attach to the industry-standard Kensington Security Slot, providing mobile theft protection that takes up less space in your travel bag.

### Features

- Hidden Pin™ technology ensures tubular lock cannot be picked
- T-Bar™ Locking Technology attaches to the Kensington Security Slot™ found on most laptops
- Retracting steel cable is cut-resistant and takes up much less space in your travel bag
- Register & Retrieve™ program allows you to order replacement keys
- Compact design and cable management makes travel easy
- Free on-line key registration for secure key replacement
