

ClickSafe® Portable Keyed Laptop Lock

64699

Product Description

The ClickSafe® Portable Keyed Laptop Lock is designed for nearly effortless protection of computers and your most sensitive information. The ClickSafe Security Anchor installs quickly into the industry-standard Kensington Security Slot and provides high-level security that engages in one click without using the key. The self-coiling cable can stretch up to 1.82m, and shrinks down to only 76mm for easy packing.

Features

- Tamper-resistant, disk-style lock provides near-impenetrable theft protection.
- ClickSafe® Lock provides one-step security after Security Anchor has been installed into Kensington Security Slot™ found on most laptops, increasing employee compliance.
- Carbon steel cable is cut-resistant and anchors to desk, table or any fixed structure.
- One-handed engagement without need to use a key.
- ClickSafe Security Anchor™ attaches to laptop via Kensington Security Slot found in 99% of computers.
- Register & Retrieve™ program allows you to order replacement keys.
- Two keys supplied.
