

ClickSafe® Keyed Ultra Laptop Lock

One-click for a secure workplace

K64964WW

Product Description

The Kensington ClickSafe® Keyed Ultra Laptop Lock offers the ultimate in physical security with just one click. ClickSafe combines an ultra-thick cable made from superior materials with a tamper-proof disc-style lock to deliver the strongest security available in a cable lock. Simply secure the convenient 1500mm cable through a dedicated security achnor point or any natural anchor point such as a cable management hole and your equipment is protected from theft.
