Product Description

As more tablets are deployed into classrooms, businesses and retail spaces, providing a convenient and secure storage location is becoming a big need. Luckily, Kensington has the perfect answer with the new Charge & Sync Cabinet — Universal Tablet. With space for up to 10 tablets including iPads, Galaxy Tabs, Kindles and more, the cabinet is the perfect place to charge the tablets after everyone has gone home for the day so they're powered up and ready in the morning. Plus, with adjustable drawers, each bay can accommodate tablets in a protective rugged case. Stack up to three cabinets and you've got storage for up to 30 tablets in one classroom.
