## Product Description

Kensington TrackballWorks™ idea: Your trackball, your rules. Download Kensington TrackballWorks™ software to customise the functions of each of the buttons found on this Kensington trackball. The result is a more productive and truly personalized computing experience. Set your preferred functions or keyboard shortcuts for each trackball button or combination of buttons, adjust the pointer speed and acceleration and do so much more. Best of all, by allowing you to personalise your trackball experience, TrackballWorks™ makes your trackball work the way you do. Kensington trackball users can download Kensington TrackballWorks at www.kensington.com. TrackballWorks is compatible with the latest operating system versions including Windows® 7, Windows Vista®, Windows® XP and Mac® OS.

## Features

- Scroll up and down web pages and documents with a simple twist of the 55mm ball
- Sleek, low-profile design offers all-day comfort along with beautiful aesthetics
- Laser tracking technology delivers superior precision for increased productivity
- Free TrackballWorks™ software allows you to customize buttons, cursor and scrolling speeds
- Wired 150cm USB cable provides reliability and avoids need for batteries
- Plug & Play installation
- Ambidextrous design for left or right-handed users
- Luxurious Ruby red trackball and metallic silver finish
- PC and Mac® compatible
- Compatible with Windows Vista® and Mac OS® X. TrackballWorks™ software downloadable from www.kensington.com
