· Combines a comfortable user experience with security.

Floor Stand for Tablets

- 360? swivel and rotation for flexible viewing positions.
- 180? pivot enables easy viewing from both sides of the counter.
- Sturdy steel construction.
- Add an additional layer of security with a Kensington SecureBack™ enclosure and ClickSafe® Point 2 Point Keyed Lock (not included).

Kensington's Floor Stand for Tablets is an ideal solution for restaurants, hotels and other businesses that use iPads as a POS solution or display. Teaming the Floor Stand with a Kensington SecureBack enclosure and ClickSafe lock provides a clean, secure solution, to suit any environment, while retaining the sleek look of your iPad.

SecureBack[™] enclosure not included.
