Protect Your Laptop Replacement

97442

Product Description

The Surface™ Pro is being touted as the perfect laptop replacement, offering an incredible combination of productivity and portability. Valuable mobile investments like that need to be protected. Our designers have worked closely with Microsoft® as a member of the Designed for Surface programme and created the BlackBelt 2nd Degree Rugged Case. It surrounds the Surface Pro device in military-grade drop protection with an integrated hand strap for worry-free carrying. The Type Cover can be easily attached or detached with the case on and a strategic cut-out preserves full functionality of the Surface kick stand.

Features

- · Strong, rugged polycarbonate body designed to meet military-grade MIL-STD-810G testing protocols for rugged protection against drops
- · Integrated silicone hand strap for easier, worry-free sharing and collaborating
- · Type Cover channel allows for fast attaching and detaching of keyboard without having to remove case
- · QuickFold Design allows the Type Cover to be folded up the backside of the case
- · Unobstructed access via strategically designed cutouts for Surface kick stand, ports, jacks and cameras
- · Surface Pen Holder keeps it from going missing
- Type Cover strap keeps the keyboard closed over the tablet screen
- Textured exterior makes it easy to grip and prevents it from sliding off table or desk
- · Raised bezel protects screen from damage and scratches
