

Reconditioned GBC® CC2700 Electric Color Coil® Inserter

RCY7301080

Product Description

This reconditioned CC2700 Electric Color Coil® inserter has been inspected and brought up to manufacturer specifications. The dual-roller system gets Color Coil® spines through punched sheets with reliable ease, and three adjustable spine-size settings ensure instant accuracy. A built-in spine former shapes stacks for easier binding. This model includes an easy-to-use crimper hand tool, which cuts and crimps the spine.

Features

- Electric finishing for increased productivity
- Built-in storage for spine cutter/crimper hand tool
- One crimper hand tool included
- Binds sheets up to 12"
- Dual-action rollers for increased speed and accuracy
