

Reconditioned GBC® DocuBind® TL300

RCY7703850

Product Description

This reconditioned DocuBind TL300 binding machine has been inspected and brought up to manufacturer specifications. The TL300 is a wire binding system that gives your presentations and documents a professional look. Wire binding provides a secure bind to ensure that your document won't fall apart. Please note a one-year EMA is not available for this item, however we will honor a 30-day warranty.
