

Xyron Pro XM2500 Cold Laminator

XM2500

Product Description

Apply laminate, adhesive or both to documents up to 25" wide.

Features

- Simply place item on feed tray, turn handle, remove completed item. It's that easy.
- Environmentally safe with removable, replaceable cutter
- Aggressive adhesive, coupled with high pressure rollers, improves both transfer and bonding qualities
- Cold lamination means you can trim your documents immediately after lamination. You can cut right up to, or even through your documents and the laminate will not peel or lift.
- Pro Machines do not come preloaded to allow users to configure units to best suit their needs

Specifications

- **Warranty** 1 year
